Description of Proposed Fence: _____

This permit becomes null and void if work or construction authorized is not commenced within one (1) year, or if construction or work is suspended or abandoned for a period of six (6) months at any time after work is commenced. Application for fence permit shall be accompanied by a set of plans or site plan, including set back from property lines and show boundary stakes or pins. Fence permit card shall be posted conspicuously at job site during construction. Do not begin construction until this permit has been validated and building setback lines have been approved by the zoning Administrator.

Please include a diagram of where the proposed fence will be located on the property and indicate setbacks from property lines.
